Berkley
Specialty Excess
| a Berkley Company

ENVIRONMENTAL EXCESS LIABILITY

Environmental Excess Liability is an additional layer of insurance coverage that sits over the limits available in the primary insurance policies. It provides an additional level of protection to individuals or businesses against catastrophic losses or claims that exceed the limits of their underlying insurance policies.

COVERAGE

- Follow-form coverage
- Lead excess over Berkley Specialty Excess primary
- Unsupported excess with $5M minimum attachment point
- Quota share structures available

Actual coverage will be based on risk selection. For detailed review of coverage forms, specimen forms are available upon request.

AVAILABLE POLICY STRUCTURES

- Annual
- Project-specific
- Claims made and reported or occurrence triggers

CAPACITY: Capacity available up to $25M occurrence/aggregate limit

CARRIER: Admiral Insurance Company is a member of W. R. Berkley Corporation, whose insurance company subsidiaries are rated A+ (Superior) by A.M. Best Company.

Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
