Berkley Specialty Excess
| a Berkley Company

GENERAL LIABILITY

General Liability insurance is a type of insurance coverage that provides protection to businesses or individuals against a wide range of liabilities and risks arising from their operations, premises, products, or services. It is designed to cover legal obligations and liability resulting from third-party claims for bodily injury, property damage, personal injury, or advertising injury.

COVERAGE

- Bodily injury and property damage
- Occurrence and claims-made coverage options

Actual coverage will be based on risk selection. For detailed review of coverage forms, specimen forms are available upon request.
